Make
a Melody

Preface

The songs from *Make a Melody* are mainly composed by brothers and sisters in Vancouver. About half of this collection is written by our young brothers and sisters. The songs are written by children but they are not for children only. When I sang these songs, I felt touched.

The other songs are from the Biblical Truth Videos. Each video comes with a song, which helps us to remember the key points easily.

I encourage brothers and sisters to write songs to the Lord. I look forward to the next collection of songs.
