2. Father, I grow in Your teaching and way.
I don't just seek for my own pleasure and feeling,
I don't ask for smooth days;
Things don't have to go my way.
I can fly above storms and waves.
Beyond the dark clouds I can see the blue sky.
I walk firmly on the rugged roads.
I don't need answers for everything.
I won't delay the work of my hand.
I will mind Your business
Until the last days.
